

Do you have a **disability**?

Do you **work**?

Do you need  
**healthcare coverage?**

## To qualify for Medicaid Purchase Plan, you **MUST**

- ★ be at least age 16, but not yet age 65;
- ★ have a disability that matches Social Security's guidelines;
- ★ work and pay taxes or report self-employment income;
- ★ have countable monthly income that is less than \$2,167;
- ★ have countable assets that are less than \$25,000;
- ★ take other health insurance coverage, if you can get it at no cost to you; **AND**
- ★ pay a premium when your countable monthly income is more than \$1299.

**Income and resources of spouses or parents DO NOT count!**
